To Our Customers Present and Prospective.

The Indian Refining Company has now been doing business in and around Stanford about a year and we take this opportunity to assure our many customers of our sincere appreciation of their patronage and our earnest desire to serve them at all times and also to solicit new business. It is a well-known fact that our competitor has been active and strenuous in their efforts to take away our business, but in the face of all their efforts we have enjoyed a fair per cent of the trade for which we are grateful to a generous public. A fair share of the business is all we ask and hope that our friends can see their way clear to continue to give us this. We have a fully equipped distributing station at Danville, Ky., and carry a complete line of burning oils and gasoline and can make immediate shipments of all grades of lubricating oils and greases from our refinery at Georgetown, Ky., the largest manufacturing institution in the State. We are absolutely independent of the trust and to again prove this, we publish the sworn statement of the president of our institution.

Should any person make the statement to you that we are part of any other company have them put the statement in writing, then send us the statement and we will hand it to the proper legal authorities and these untruthful statements will cease. We have many unsolicited testimonials as to the quality of our goods and only ask the prospective customers to give us a fair trial and let the results speak for themselves.

We operate no Peddler Wagons. Respectfully yours, INDIAN REFINING CO. W. C. WOLFORD, Agent, Danville, Ky., Branch.

Cincinnati, O., Oct. 31, 1908.

Kind Words Won't Keep.

You may save up money

And land and grain,

For the days to come

When it pours with rain;

You may hoard up gold

And jewels rare

For the years to come,

When old age you wear;

But a word of kindness

You cannot store,

For it will not keep

Till the day is o'er.

You should speak it now,

When it's on your tongue,

For you cannot tell

How a heart is wrung;

And only a kind word

Said to-day

Is worth more than all

You can ever say

In the future years—

Speak it loud and clear;

Kind words won't keep

For the coming year.

Go, praise your friend

To his face to-day,

And grasp his hand

In a friendly way;

Tell him the kind words

Now that you

Are saving to speak

When his life is through

Let your lips be spendthrifts

With words of cheer,

To-morrow, my friend,

You may not be here.

Kind words are things

That you cannot store;

They must be scattered,

If you'd have more;

They never were meant

To be used alone

In the house of death

Where our loved ones moan,

One kind word spoken

Means more to-day

Than eulogies long

Over lifeless clay.

A Religious Author's Statement.

During the recent drouth, T. W. Payne found a remarkably fine spring of water in a deep hollow on his place. One day while the drouth was at its worst, he noticed a large rock, from which considerable moisture was oozing at one particular place. Being of an investigating turn of mind, and thinking it might be profitable, he procured a drill and put in some blasts. In drilling the hole preparatory to making the final blast, the drill cut through the rock and a great stream of water spurted out. Efforts to stop up the hole were of no avail. A stream as large as the drill hole runs all the time and many barrels of water can be taken out, which does not lower the quantity in the spring at all. It is very much like artesian water in taste, has a weak trace of sulphur and is slightly saline. Most of the wells near by are salt water, hence it is very probable that this spring is fed by an underground lake. We feel confident that it would supply a good sized town.

"What's that? The cook's hair burned off? How did that happen?"

THE bill to prohibit the sale of intoxicating liquor in Tennessee passed the lower house of the General Assembly. The vote was 62 to 36. The Governor is allowed to hold a bill five days. If at the expiration of this time it has not been returned to the Assembly it becomes a law without his signature. State-widens maintain that the Governor's action is not material, that if he disapproves it his veto will not be sustained. The bill provides that prohibition become effective July 1, 1909.

A BILL to regulate campaign contributions was introduced in the Indiana Senate by Senator Mattingly. Corporations, according to the bill, must, if they make contributions, do so in a prescribed manner under penalty of dissolution. It also provides that liquor dealers are not to be allowed to make any contributions of any sort for political purposes.

STEPS are being taken to induce the State of Kentucky to donate \$10,000 to the fund for the relief of the earthquake sufferers in Italy, and the Solicitation Committee of the Italian societies in Louisville is exceedingly hopeful that this may be accomplished without delay. THE aged Mr. R. L. White, is dangerously ill at his home in the Hubble section.

MR. JUNE H. REID, of Hustonville, will succeed Mr. W. K. Shugars in the New Stanford Drug Store. This will be good news to Mr. Reid's legion of friends here.

MR. DAVID B. RAMBO, who has lived at Broadhead for several years, has returned to his farm near Maywood. It is monstrous hard for an old Lincoln county man to remain away from Lincoln.

MRS. ANNA D. VAN ARSDALE, who is visiting Nashville relatives, fell and was severely hurt some time ago. We are glad to know that she is rapidly convalescing and will soon be able to come home.

MR. W. K. SHUGARS, wife and bright little son, W. K. Jr., will leave in a few days for Winchester to make that thriving city their home. It is with sincere regret that our people give up this splendid family.

NOTICE.—All those having claims against the estate of John F. Cash, deceased, will please present them to me at the First National Bank, Stanford, properly proven and verified, by Jan. 15, 1909. H. C. Baughman, administrator.

MR. T. R. WALTON, formerly of this place, but now a "rooter" for Atlanta, writes from Tampa, Fla., where he and his wife are spending the Winter, that the weather there is perfect. The skies are bright and if any objection could be urged against the weather it is that the mercury is a little too high, he writes.

THE men in and around Danville would make little or no effort to break up the blind tiger business there and women, 25 strong, have taken up the matter, determined to oust the violators. Stanford women might profit by doing likewise, their husbands, fathers and brothers being too busy with their business to take a hand in the matter.

THE Lincoln County National Bank elected its old board of directors with the exception of Mr. Thomas C. Rankin, who was chosen to fill the vacancy caused by the death of Mr. John F. Cash. The First National Bank elected H. C. Baughman a director in the place of Mr. S. H. Baughman, who resigned, and Dr. W. B. O'Bannon in the place of Col. T. P. Hill, deceased.

ROBERT ACY, to whose house Lair's bloodhounds trailed while an effort was being made to locate the person who had robbed Silas Wesley's store in Casey, proved an alibi and was honorably discharged. Nobody believed Acy was guilty.

WE unintentionally omitted mention of the entertainment given by the pupils of the Graded School in the School auditorium Saturday afternoon. An interesting program was splendidly rendered, all of those who took part acquitting themselves most creditably.

THE weather since our last issue has been pretty bad, thank you. A snow fell Monday night; Tuesday we had all sorts of weather; Wednesday it snowed, rained, hailed and sleeted and yesterday was dark, damp and gloomy. We are paying with compound interest for the beautiful weather of last Fall and early winter.

AT a meeting of the stockholders of the Crab Orchard Banking Co. held Tuesday the following officers were re-elected for the ensuing year: J. H. Collier, president; W. E. Perkins, vice president; J. C. Bailey, cashier. The directory remains the same with the exception of J. S. Broughton, who is succeeded by Dr. M. M. Phillips.

HUNN.—Mary Louise Hunn, the bright and beautiful little daughter of Mr. and Mrs. A. M. Hunn, died Tuesday morning after a brief illness of tubercular meningitis. The burial occurred in Buffalo Cemetery Wednesday morning after services at the home at 10:30 o'clock by Dr. William Shelton and Mr. J. C. McClary. Much sympathy is felt for the family in their irreparable loss.

SOLOM CRAIG, colored, was tried on three charges of selling cocaine Tuesday afternoon and was acquitted. A majority verdict was agreed to and only one of the six jurors thought Solom guilty. However, the impression prevails that it was a case of guilty but not proven. Craig, who is said to have a government license to sell whisky, is giving the officers and people a good deal of trouble and it was generally hoped that he would be mulcted to the tune of a hundred or so.

THREE weeks from to-morrow the democratic primary will be pulled off. Let candidates and voters keep cool heads and say and do nothing they will be ashamed of when the smoke of the political battle has cleared away. Keep in mind that the men nominated on Feb. 6 will be the standard bearers of democracy on Nov. 2, and remember all of the time that crow is an exceedingly unpalatable dish. Think twice before you speak, and vote for the best and cleanest man and democrat. Make the ticket so good and strong that the republicans won't dare make an effort to defeat it.

FOR SALE.—Six thoroughbred Black Berkshire shoats; weight about 60 pounds. Geo. D. Hopper, Jr.

WE have secured the agency for the celebrated South Bend Chilled and Belknap Chilled Plows. Inspect their quality and get our prices before you buy. Geo. D. Hopper.

THE Ladies' Aid Society of the Christian church will meet with Miss Alice Beazley at 2:30 o'clock Saturday afternoon. A full attendance is desired as officers are to be elected and other important work must be done.

THE supervisors will be in session Wednesday, 20th, to hear complaints from those people in the Stanford district who have been raised. On Thursday complaints will be heard from those residing in the Crab Orchard district.

DR. W. N. CRAIG moved his family back to Stanford last Sunday night. He will remain in Middlesboro for the present. The probabilities are that the family will return to this city sometime during the year to take up their permanent residence if he can get a suitable house for them.—Middlesboro Record.

SEEMS to us that Councilman James R. Beazley ought to resign. He has not attended a council meeting for some six or eight months and has not been in the State since September. He of course has not been able to do the work elected to do and consequently has been of no service on the board. If he does not intend to return soon we suggest that he write or telegraph his resignation. A city of Stanford's class is entitled to six councilmen and why can't she have six? The past year has been a busy one with our city dads and Councilman Beazley has been needed. We are confident he has just overlooked the matter of resigning and that this hint to the wise will be sufficient to put him to thinking.

MATRIMONIAL.

Henry E. Goode and Miss Amelia J. Withington, both of Casey county, were married in Jeffersonville.

Minnie Rogers, the divorced wife of Al Stewart, has sued John Brown, one of the wealthiest farmers of Jessamine county, for \$30,000 for alleged breach of promise.

Ike W. Tattle, a prominent and clever young farmer of the Turnersville section, and Miss Clara H. Tabler, a pretty and popular young lady of McKinney, were married at Moreland yesterday. The bride is a daughter of Mrs. M. V. Moore and is an excellent young woman.

David Harris and Miss Byrdie Anderson, both of the East End, were made one Wednesday by Eld. J. G. Livingston at his home. The bride is the beautiful and charming daughter of J. L. Anderson and is organist at Mt. Olive church. The groom is a clever and industrious young farmer.

Ernest L. Woods, a wealthy farmer and banker of the Paint Lick section of Garrard, and Miss Panthea Royston, the handsome and popular daughter of Mr. William Royston, also of that county, were married at the bride's home this week. The bride is a relative of the Misses Paxton, of this place, and is a charming young woman.

1st. A primary election is hereby called to be held in the several voting precincts of Lincoln county on Saturday, February 6th, 1909, between 6 A. M. and 4 P. M., for the purpose of nominating democratic candidates for the offices of county judge, county attorney, county clerk, sheriff, jailer, representative, assessor, school superintendent, magistrates of the several magisterial districts, constables, coroner and surveyor.

2nd. All democrats who are legal voters of Lincoln county, or who will be legal voters on the 2nd day of November, 1909, are entitled to vote in their respective precincts, and are requested to do so.

3rd. Every candidate who desires to have his name printed on the ballots to be used in said primary election shall on or before 12 o'clock midnight of the 22nd day of January, 1909, deposit with the treasurer of the committee the sum hereby fixed as the entrance fee in the race for the office for which he is a candidate, said sum so realized to be used in defraying the expenses of the primary. At the same time the candidate shall give written notice to the chairman that he desires to be a candidate, and name the office he seeks.

The entrance fee of candidates shall be as follows: For sheriff, \$40; for county judge, \$10; for county attorney, \$10; for county clerk, \$10; for jailer, \$15; for assessor, \$10; for representative, \$10; for school superintendent, \$10; circuit clerk, \$10.

4th. The election shall be held in all respects as required by statute relative to primary elections, and a uniform ballot shall be used in all voting precincts. The chairman of the committee is directed to cause to be printed and distributed to the several voting precincts the necessary ballots and all supplies necessary to the legal conduct of the election.

5th. The democratic county committee shall appoint officers to hold the election in each precinct, who shall be selected from lists furnished by all candidates who desire to submit lists. The officers shall be as nearly divided as possible as to judges, clerks and sheriffs among the various candidates. The officers of the primary shall, as soon as the polls are closed, which shall be done at 4 P. M., proceed at once to count the ballots cast for each and every candidate for office, and after counting same they will place all ballots voted in the ballot boxes furnished by the committee, sealing up the boxes as required by law, and, within two days thereafter, the sheriffs and judges of election will deposit the boxes with the chairman of the county committee at the court house in Stanford. The officers of the election in each precinct will make and sign a written statement showing the number of votes cast for each and every candidate for office in the precinct, and place said statement in an envelope and deposit it in the ballot boxes.

6th. The returns are to be made to the chairman of the county committee, and should he be absent from the county, then to the secretary of the committee, at the court house within two days after the election. On the next day after the election the county committee shall meet and canvass the returns of the election and make certificate thereof.

7th. The secretary of the committee is directed to give notice of this election as is required by law.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Only, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brise your finger, and doesn't it get red, and swell, and pain you? Of course it does, it's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend
